

GSA Multiple Award Schedule

Element 84 designs and develops scalable software solutions that improve the world. We work with business and government to create applications and data systems that help users solve problems and answer big questions.

Multiple Award Schedule Details

GSA Multiple Award Schedule is the largest procurement vehicle and the most widely used acquisition offering the federal government. The Multiple Award Schedule is an Indefinite Delivery/Indefinite Quantity (ID/IQ) multiple award schedule providing direct access to products & services from over 5000 industry partners. Element 84 offers a comprehensive array of IT services and solutions under the SINs listed below.

Contract Number:	Period of Performance:	Geographic Coverage:	Who can use it?
