

General Services Administration (GSA) Information Technology Services (IT) Schedule 70

Element 84 designs and develops scalable software solutions that improve the world. We work with business and government to create applications and data systems that can help users solve problems and answer big questions.

GSA IT Schedule 70 is the largest procurement vehicle and the most widely used acquisition offering the federal government. IT Schedule 70 is an Indefinite Delivery/Indefinite Quantity (ID/IQ) multiple award schedule providing direct access to products & services from over 5000 industry partners. Element 84 offers a comprehensive array of IT services and solutions under the SINs listed below.
